Field Vist of Zoology Dept.

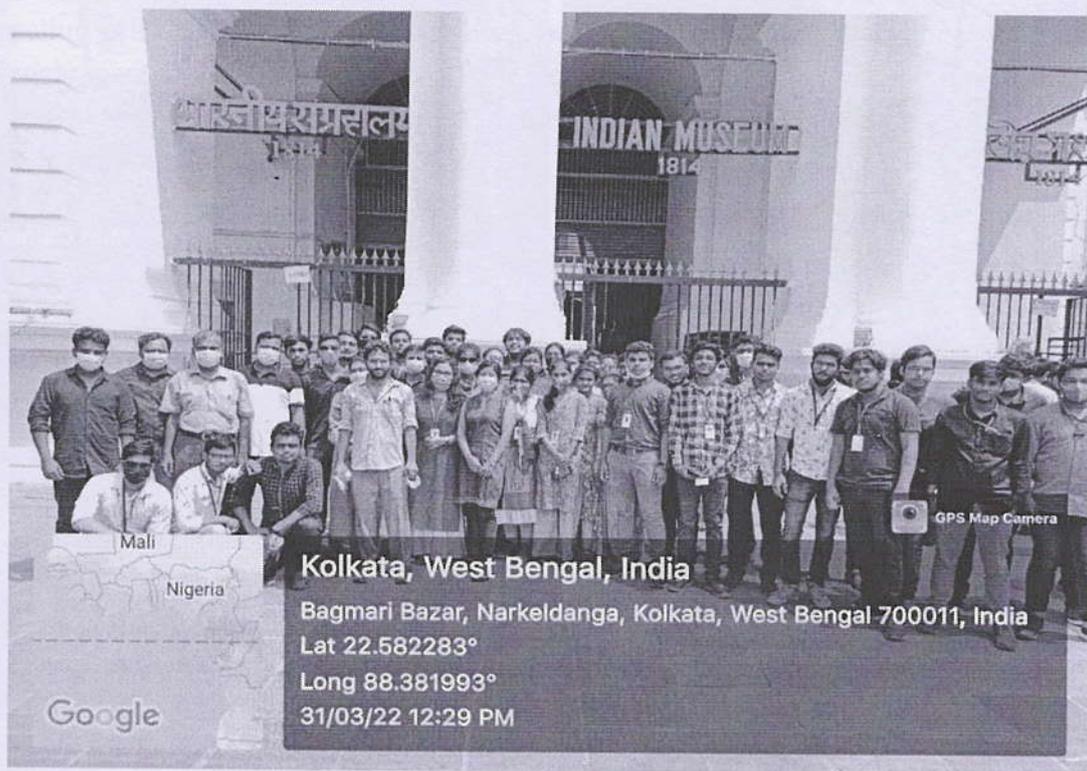

An excursion to Sundarban National Park has been arranged for the students of 2nd Sem Hons, 4th Sem HE and 2nd Sem CC from 08/ 06/2022 to 10/06/2022 as per the syllabus. 2 students participated in the tour and the students are guided by teachers Dr. Sarbani Dutta, and Ms. Puja Bhattacharyya and non-teaching staff Mr. Debashish Aich. The students enjoyed a lot and learned a lot in this tour.

STUDY TOUR ORGANIZED BY THE DEPARTMENT OF MATHEMATICS

Study tour is an integral part of the course. It is quite valuable and important for gaining knowledge outside the textbooks as well as to explore new areas in allied or sometimes even seemingly unrelated subjects. It appeals to the intellect of the students and develop a sense of overall understanding of facts related to science, history and social science. Being belonged to Science stream, the students of this department might not have had ample opportunity to know in depth about the history of India and nearby countries, the archaeological and paleontological artefacts discovered, and the variety of the regions, food habits, dresses, livelihoods and other related things of the inhabitants of this continent. A tour to museum surely helps towards this. The Victoria Memorial Hall has a gallery full of information, posters, slides, and reminiscence of the great freedom fighter Netaji Subhas Chandra Bose. A tour strengthens the bonding among the students, and generates a sense of leadership as they are to take active charge of organizing it.
